OUR JOURNEY

Our Story

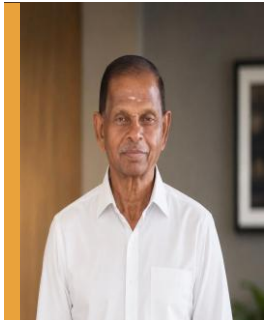

A disciplined, quality-conscious firm

M/s. N. Sakthivel & Co. has delivered consistent quality since its inception, founded by Mr. N. Sakthivel, who began executing civil works in his own name after gaining experience at U.R. Thangamuthu & Co.

U.R. Thangamuthu & Co. was itself founded by a retired partner of URC Constructions — a lineage of subject knowledge and discipline that still guides how we build today across medical colleges, schools, police housing, public works and industry.
